

NOW IS YOUR CHANCE TO VOICE YOUR THOUGHTS!

Cheshire East are completing a **Public Consultation** Running **6th September to 28th November 2021**
The proposal opts to change the Lyme Green Ward boundaries.
This will mean that Lyme Green Ward will join Macclesfield Town Council and be part of the Macclesfield South.

How will this impact Lyme Green Ward

- Council Tax may change to match Macclesfield band rates.
- No funds will be available from Sutton Parish Council impacting community events such as Christmas and Christmas Tree management leading to a loss of community spirit.
- Loss of local councillors that represents Lyme Green.
- Changes to allocation of assets such as allotments, bus shelter and defibrillator.
- Identity of Lyme Green could be lost as it joins Macclesfield South and extension to the Moss Ward.
- Allocation of money spent on Lyme Green will come from a larger pot of money spread across the whole of Macclesfield.
