SUTTON PARISH COUNCIL

TALLEST SUNFLOWER COMPETITION 2026

September 2026

Hello

We hope the children have enjoyed taking part in this year's Tallest Sunflower competition. We now ask you to record the height of your sunflower(s) over the weekend between **5TH/6TH SEPTEMBER**. They should be measured in centimetres from ground level to the centre of the flower head when holding it upright. If in pots measure from where the stem meets the soil.

Please return the form at the bottom of this letter to either Hollinhey School or Nursery or email **clerk@suttonparish.co.uk NO LATER THAN WEDNESDAY 9TH SEPTEMBER.** Unfortunately, we cannot accept late entries. The judges will be going out to re-measure the six tallest sunflowers between **12TH/13TH SEPTEMBER.**

Prizes will be awarded for the three tallest sunflowers at a Hollinhey Assembly. Please ensure that your daytime or mobile telephone number is on the return slip so that permission may be obtained for the judges to enter your garden at a convenient time.
